

Three motor and optimal suction power vacuum cleaner

The VIPER LSU 375 is a wet/dry professional vacuum cleaner, it is easy to use, robust and has optimal suction power.

LSU product family has a modular design with different tank capacities and motor quantities, tank capacity for LSU 375 is 75 liters, it has three motors. You can choose stainless steel tank or translucent plastic tank. You can easily see whether the tank is full of water or not if the tank is made of translucent plastic. It has a drain hose mounted, you can easily empty the tank without taking off the motor. It has large rear wheels and rotating front wheels, make it light and easy to maneuver. As standard, the machine is delivered with the following accessories: crevice tool, round dusting brush, wet pick-up tool and dry pick-up tool.

PRODUCT FACTS

- Easy to use and service
- Optimal suction power
- Robust chassis
- Drain hose
- Large rear wheels and rotating front wheels
- Cable storage & Accessory storage
- For wet or dry vacuum application
- EU/UK version available
