MAX Ergo Telescopic Broom & Dustpan

MAX Ergo Telescopic Broom and Dustpan is ergonomic and has many features:

- The height can be adjusted on both the broom and the dustpan (broom 58-91 cm, dustpan 54-88 cm).
- Broom handle has an ergonomic grip for both the thumb and the forefinger.
- Hanging hooks (turnable 360°) is fixed on both brush and dustpan. There is also a hook at the rear of the dustpan handle.
- A lock keeps the brush still when you hang it up on the dustpan handle. You can easily carry the broom and dustpan without risk of dropping the brush.
- The scrape edge of the dustpan facilitates quick cleaning of the broom.
